

True GRIT Equipment List

PROVIDED FOR YOU:

55 foot houseboat with sleeping and cooking facilities. Pilot/Supervisor operates all vessels.

- Runabout boat and tools for graffiti removal activities.
- Gasoline and propane for vessels and appliances.
- Bathroom (head) aboard houseboat includes sink, shower, and toilet with tissue. NOTE: Not enough hot water for everyone to shower every day.
- Kitchen includes one small refrigerator, small microwave, apartment-sized gas stove with oven, sink, coffee maker, toaster, basic pots, pans, blender, tableware, dishes, drinking water, coffee, creamers, salt and pepper, napkins and paper towels.
- Gas barbecue grill (gas provided).
- Air conditioner and heater.
- Generator, which provides 110 V AC current for low wattage devices on an intermittent basis.
- 3 55-gallon ice chests, block ice provided.
- Freezer chest.
- Toilet Paper.

WHAT TO BRING

There is no storage on the houseboat, and space is limited. Please bring only essentials. Also, there is limited privacy in the sleeping quarters.

- Food and beverages (alcohol is allowed after work hours).
- Sleeping bag for cooler weather, blanket for warmer weather, sheets if desired, pillow.
- Towels for swimming and hygiene.
- Sturdy work gloves
- Tennis shoes, lightweight hiking shoes, or water shoes/sandals. Bring two pair in case one gets wet.
- Personal toilet articles.
- Swimsuit.
- Hat or cap (should be one that will stay on in a breeze).
- Comfortable work clothes – lightweight and tightly woven pants for protection from the abundant thistle and sun. Bring enough clothes for layering to ensure comfort.
- Thermal underwear/sweatsuit/jacket (during early spring/winter/late fall).
- Rain gear.
- Warm coat (during early spring/winter/late fall).
- Sunscreen and bug spray
- Any medical needs.
- Canteen/refillable water bottle.
- Drinking water.
